

Intercept Youth Services, Inc.
YouthQuest Anywhere Per Diem Rate Schedule
Community based Independent Living
July 1, 2016 – June 30, 2017

Comprehensive Rate and Services:

YouthQuest is excited to offer a community based independent living services providing intensive 1:1 case management and independent living training for youth in their own apartment. The service is set up in 3 month tiers, and is designed to be completed in a year or as the youth achieves proficiency. During this service youth will be able to build their rental histories, manage their money, attend an educational program and establish employment stability. Program Staff will use the Casey Life Skills Assessments, provide support 24 hours a day, provide 1:1 training, and case management services to the youth as they continue to live independently.

Room and Board: Responsibility of the youth
